

The background features several faint, light-gray sketches of mechs and weapons. At the top, a detailed sketch of a futuristic handgun is visible. On the left, a mech's arm and torso are sketched. On the right, a mech's head and upper body are shown. At the bottom, a larger mech is sketched from a side-on perspective, showing its legs and torso. The entire background is divided into four quadrants by two diagonal lines that intersect at the center.
